

REMARKS

The Examiner has indicted that claims 7-8 should not be identified at "Previously Presented" as they were previously withdrawn from consideration.

Thus as required, claims 7 and 8 have now been provided with appropriate status-identifiers indicating that they are withdrawn.

In view of the foregoing, it is believed that the amended claims and the claims dependent there from are in proper form. Thus, claims 1-6 and 9-17 should be considered allowable.

The application is now considered to be in condition for allowance, and an early indication of same is earnestly solicited.

Respectfully submitted,
